COMMITTEE ON FOREIGN INTELLIGENCE MEMORANDUM NO. 2

SUBJECT: Continuity of Effort in Intelligence Community Activities

1. Pursuant to the responsibilities assigned to the Committee on Foreign Intelligence in Executive Order 11905, "United States Foreign Intelligence Activities," dated 18 February 1976, and in the interest of assuring a continuity of effort in Intelligence Community activities, provision is hereby made for temporary continuation of activities of the United States Intelligence Board and its supporting committees.
2. Although NSCID No. 1, which established the USIB, has not yet been formally amended, E.O. 11905 superseded the Presidential memorandum of November 5, 1971, on "Organization and Management of the U.S. Foreign Intelligence Community," on which the present NSCID No. 1 was based. Coincident with issuance of E.O. 11905, the White House announced that the USIB was abolished.
3. E.O. 11905 provides (Sec. 3(b)(4) that the Committee on Foreign Intelligence shall establish such subcommittees as it deems appropriate to ensure consultation with members of the Intelligence Community on policies and guidance issued by the Committee.
4. The E.O. also provides (Sec. 3(d)(1)(xiv) that the Director of Central Intelligence shall establish such committees of collectors, producers and users of intelligence as he deems appropriate to assist in his conduct of his responsibilities.
5. Pending establishment of such Intelligence Community organizations as are deemed necessary for effective implementation of the responsibilities assigned in E.O. 11905 to the Director of Central Intelligence, the United States Intelligence Board and the committees which exist to support the Board, and through it the Director of Central Intelligence, are to continue to function as presently constituted.
